

Sailing Taster Sessions.

Our 2 hour sailing tasters are fantastic for anyone wanting to see what it is all about or wanting to give a different form of sailing ago, from catamaran tasters to small dinghy tasters.

The tasters are available to any one over the age of 8 years all the equipment is supplied on the session.

Catamaran tasters are our popular choice with the speed and adrenaline proving to be the most fun and extreme session.

The small dinghy tasters are as popular due to us being able to run these sessions with many people on them, so a great choice for families and groups.
